

Earth Day

Wednesday, April 22nd,
2020

The OCSB respectfully acknowledges that our schools are located on the ancestral, traditional, and unceded territory of the Algonquin People, on whose land we pray, learn, play, and work.

Let Us Pray

In the name of the Father, and the son, and the Holy Spirit, Amen.

We are a people of hope. We hope for the healing of the Earth. Let us also be a people of action, moving to protect and heal our home.

God of all Creation, mold us to be leaders ready to meet the struggles before us. Together, we dare to hope, commit to change and join hands in service to heal our planet and lead the way to a better tomorrow for God's good creation. We are a people of hope.

Amen
