3)Lesson:How Can we Live Like Jesus?

There are many ways we can live our lives like Jesus did. Some examples include participating in mass, engaging in volunteering, showing appreciation to others and more!

4)Exercise: Labelling the Ways we can Live like Jesus

- -Holding your child's finger, point to and name each item. Repeat this a few times!
- -Then, ask your child to point to a specific item. Ex: "Where is...share our toys"?

Modification

1)Please feel free to modify the language by using less words. For example, you can say "money" instead of "donate money".

5)Continuation of the Learning:

Please feel free to model one of the ways we can live like Jesus throughout the week! For example:

When your child shares his/her toys, say "Jesus tells us to share! You shared your toys! Good job"!

6)Showing Appreciation

There are many ways we can show our appreciation to the people who provide help and support. During the current pandemic, we thank frontline workers including nurses, doctors, health care workers, long-term care providers, grocery store employees, pharmacy workers and more!

Please feel free to model how to show appreciation throughout the week. For example: 1)Take a picture/video of your family thanking nurses. Post the file to twitter/instagram at @canadanurses.

- 2)Bring the family together to write a letter of appreciation to the long-term care providers at a local nursing home!
- 3)Create a colorful poster thanking frontline workers. Display the poster on your lawn/windows.
